Rare 5-story brownstone with an additional carriage house garage parking! Located on Hoboken's most prestigious block, this outstanding home was completely renovated in 2016 with a full 4-story extension. No detail was overlooked and the home now offers well-thought out living spaces spread throughout 5 levels with over 5000 sqft of space, including 5 bedrooms, 2 dens, 6.5 bathrooms and a custom designed patio.

The parlor level offers an open floorplan which features a formal living room, spacious dining area, custom kitchen and family room that leads directly to a modern styled patio, accessed by 8 foot sliding glass doors. This beautiful open space is light and airy with soaring ceilings, custom millwork, exposed brick, recessed lights, and 7" white oak floors. The spectacular custom chef's kitchen includes custom Porcelanosa glass front cabinets, Thermador appliances, marble backsplash and porcelain floors. The Thermador appliances include 48" gas range with griddl...
